Prognosis:

Consent To Treat:

I hereby request and consent to the performance of acupuncture treatments and other procedures within the scope of the practice of acupuncture on me (or on the patient named below, for whom I am legally responsible) by a licensed acupuncturist of AcuPUNKture. I understand that acupuncturists practicing in the State of Massachusetts are not primary care providers and that regular primary care by a licensed physician is an important choice that is strongly recommended by this clinic's practitioner(s).

ACUPUNCTURE AND TREATMENT MODALITIES: I understand that methods of treatment may include, but are not limited to, acupuncture, moxibustion or the use of a conventional heat lamp, cupping, gua-sha, electoral stimulation, Tui-Na (Chinese massage), essential oils, press balls, press tacks and nutrition counseling. I have been informed that acupuncture is a generally safe method of treatment, but that it may have some side effects, including bruising, numbness or tingling near the needle sites that may last a few days, and dizziness or fainting. Bruising is a common side effect of cupping and gua-sha. Unusual risks of acupuncture include spontaneous miscarriage, nerve damage and organ puncture, including lung puncture (pneumothorax). Infection is another possible risk, although the clinic uses single use sterile disposable needles and maintains a clean and safe environment. Burns and/or scarring are a potential risk of moxibustion, heat lamp use and cupping. I understand that while this document describes the major risks of treatment, other side effects and risks may occur. The essential oils (which are from plant, animal and mineral sources) that have been recommended and used are traditional considered safe in the practice of Chinese Medicine, although some may be toxic in large doses. I understand that some essential oils may be inappropriate during pregnancy. Some possible side effects of using essential oils are acute skin irritation, redness, heat, hives, tingling, itching or skin photosensitivity. I understand that these essential oils are for topical use only and should not be ingested.

I do not expect the licensed acupuncturist(s) to be able to anticipate and explain all possible risks and complications of treatment, and I wish to rely on the licensed acupuncturist(s) to exercise judgment during the course of treatment which the licensed acupuncturist(s) thinks at the time, based upon the facts then known is in my best interest. I understand the results are not guaranteed.

ACKNOWLEDGEMENT OF NOTICE OF PRIVACY POLICY: I understand the licensed acupuncturist(s) and administrative staff may review my patient records and lab reports, but all my records will be kept confidential and will not be released without my written consent. I have been presented with a copy of The Notice of Privacy Policies for the office of AcuPUNKture and I understand how this clinic may use or disclose my health information.

LATE CANCELLATION/NO SHOW POLICY: A minimum of 24 hours is required to reschedule or cancel an appointment. Unless otherwise agreed upon in advance or in the case of an emergency or inclement weather, 1st late cancel: \$35 fee, 2nd late cancel: \$50 fee, 3rd+ late cancel: Full session cost.. We will bill your Credit card on file and reserve the right to not rebook until your account has been settled. If the patient has a package plan and late cancels/no shows then one session from a treatment package will be deducted for each missed appointment. There is a \$35 fee for returned checks.

PREPAID SESSION PACKAGE: If you choose to purchase a session package for follow-up treatments, please note that they are non-refundable/non-transferrable no matter what the circumstances. They never expire and can be shared with friends and family. They are designed to be used on a regular basis to save you money and allow you to feel at your best.

INSURANCE: If you choose to have your sessions covered through your health insurance, by signing below you agree to allow AcuPUNKture to bill your health insurance and are responsible for any copayments/coinsurance and deductibles at the time of service. It is your responsibility to notify AcuPUNKture staff of any secondary insurances or changes to your Health insurance if/when they occur.

By signing below, I show that I have carefully read and understand, or have had read to me, the above consent to treatment and policies, have been told about the risks and benefits of acupuncture and other procedures, and have had the opportunity to ask questions. I intend this consent to treat form to cover the entire course of treatment for my present condition and for any future condition(s) for which I seek treatment.

Signature: _____ Date: _____
(If under 18 years of age a parent or legal guardian must sign.)

Printed Name: _____ Date of Birth: _____

CANCELLATION POLICY:

If your follow-up appointment is not cancelled at least 24 hours in advance, you will be charged for your session.
This fee will not be covered by your insurance company.

Late Cancellation/No-show Fees:

New clients: Will be charged the full treatment price of \$110 if we are not given **48 hours notice** of cancellation/reschedule of Initial Consultation and Treatment.

Existing Clients: Will be charged accordingly if **24 hour notice** is not given:

1st time: \$35

2nd time: \$50

3rd time or more: Full Session Cost \$90

We understand that there are times when you must miss an appointment due to emergencies or obligations for work or family. However, when you do not call to cancel an appointment, you may be preventing another patient from getting much needed treatment. Conversely, the situation may arise where another patient fails to cancel and we are unable to schedule you for a visit, due to a seemingly "full" appointment book. Thank you for your understanding.

By signing this form you acknowledge this policy and subsequent charges if applicable.
